From that officer's* report and the extract of the Inam register received from the Inam Superintendent, it is observed that the marginally-noted Inam lands were originally in the Khata of the temple, that the Archak of the temple is said to have resigned the lands in the year Vyaya (1886-87) and that they were brought under Government hanger. The DY Commissioner reports that during the Survey Settlement of the village, these lands were fully assessed and formed into S.no. 77 (dry) and 92 (wet); that S no 92 measuring 23 guntas assessed at Rs 3-8-0 was taken on Dankhast about 13 years ago by one Muniyappa, that he is prepared to hand it over to the temple if he is given an equal extent of land in exchange out of Gomal S.no. 78, that the villagers have no objection to this and that the dry land S. no. 77 has been all

Sir,

With reference to your official memorandum No.3305 dated 21st January 1908, forwarding for disposal petition of Dyavayya and certain others of Setti Madamangala Grama, Kolar Taluk, praying for the restoration of certain Inam lands alleged to be in the Khate of Sri Someswara Swami temple at the place, I have the honor to state that this temple was formerly endowed with the marginally noted Inam lands. The archek of the temple is said to have resigned the Inam lands in the year Vyaya (1336-37) and they were brought under Government banger. During the Survey Settlement of the village, these lands were fully assessed and formed into S.No.77 (dry) and 92 (wet). The dry land survey No.77 has been all along unoccupied. The wet land survey No.92 measuring 23 guntas assessed @ Rs.3-3-0 was taken on Darkhast about 13 years ago by one Muniappa and is now in his ----- possession and enjoyment. He is prepared to hand it over to the temple if he is given an equal extent of land in exchange out of nomal survey No.78. The villagers have no objection to this.

2. The temple was neglected, but about 4 years ago

As per inquiry

the villagers completely repaired it and arranged for the performance of regular puja. They pray that the Inam lands may be restored to the temple.

3. As the villagers have taken great interest in getting the temple repaired and have moreover arranged for regular puja therein, I think the prayer of the villagers deserve favorable consideration. I would therefore solicit that ----- sanction may kindly be accorded for the restoration of the - Inam lands to the temple and the grant of 23 cents out of gomal No.73 to Munisappa in exchange for the temple land -- (survey No.92) which he is prepared to relinquish in favor of the temple. The usual gomal statement will be submitted to the Revenue Commissioner on the restoration of the Inam.

4. Vernacular correspondence ending with the Kolar -- Amildar's report No.144 dated 20th July 1904 together with the petition received with the above is herewith submitted for reference.
